

Welcome to the first Ford Sierra Owners Club Bulletin. As most of you will probably be aware, the Club held its AGM on the 15th October. There is now a revised Committee in place, voted for by yourselves, the members. A list of current committee members will be included in the next Jellymould as well as the Minutes from the AGM.

We hope to use this new Bulletin service as a way to communicate with our non forum-based membership, which has always been an issue in the past.

We are aiming to include any new information requiring attention before the quarterly Jellymould arrives on your doorstep. Items included will be things like:

- Any changes to pub meets around the country, from dates to locations, as these do occasionally happen and it is not always possible for word of mouth to suffice.
- Any topics that may require a member vote
- Requests for assistance via the members

One important issue to attend is that, due to the revision of the Committee, any correspondence to the Club will need to be directed via the new Post Office Box, which is:

Ford Sierra Owners Club
PO BOX 155
Ashford
TN23 9EU

This has been mentioned in the last edition of Jellymould, but may have been missed by some members. Any correspondence will be forwarded accordingly to the appropriate official.

To keep costs down for the Club, we would like to aim things like these Bulletins mainly at our non forum-based members, so with that in mind, we would ask that all members kindly complete the slip below and return it to the above address accordingly.

Club Update

Time for a club update, where the hell is the year going !? This is going to be my last official update as from now on this will be carried out by the club secretary.

FSOC National Day at Billing

Been, gone and got the tee shirt. A fantastic day was had by all and full respect to all those who gave up their time to organise and blag stuff. I like to think it was a success but what did you think? Send a report to Jon, our press Secretary.

Stickers

We have them, they should have been at Billings but the royal fail messed up again. All members currently waiting for them in their welcome packs should soon receive one. All membership renewals will have one included.

Merchandise

The range is growing. We currently have Mugs, Stickers, Key Rings and Tee Shirts. Tee shirts are available to order in any size and colour and come with the logo over the left breast. You can also have your name embroidered on it too, just ask. Send your requests to the club address and it will be forwarded to where it needs to go.

Newsletter

The Autumn Jellymould is being put together right now and will be out sometime in December.

Members

We have now hit the 200 paid up member mark. The lucky person will receive a Tee Shirt, Key ring and mug. I will be in touch in the near future with who it is.

Hope to hear from you soon,

Paul "Sidibear" Elliot
FSOC President
